Construction Engineering
and Management Institute

June 15, 2020

Dear Mr. Pourbakhshaei:

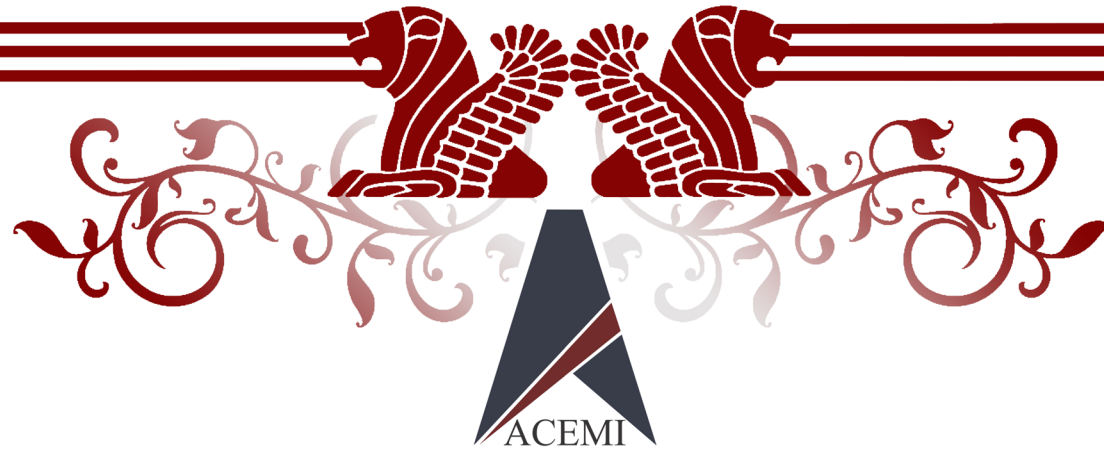

ACEMI congratulates you on your great achievement to obtain **“Management Certification Level 1.”** Your competencies have been formally evaluated and ACEMI awards this certification to you for successfully completing all the requirements of project and construction management in **Level 1**. You are well on your way to achieve the next level. Good luck!

P.S. **“Management Certification”** is given to those who attend the required courses; work on a project with mentors during a long-term duration; and pass the comprehensive exam at each level.

Sincerely,

S. M. Reza Alavipour, PhD, PMP, CMIT
